

AB Marketing Company

AB Marketing company is a forward-thinking electrical solutions provider, powering industries with cutting-edge lighting and fan systems. Our blend of reliability, innovation, and service excellence makes us the trusted choice for businesses seeking efficient, durable, and impactful solutions. With a focus on performance and precision, we help industries stay cool, bright, and ahead of the curve.

About us:

We are trusted dealers and resellers of electrical items such as lights, fans, and other industrial electrical equipment. With over 8 years of experience in the field since 2017, we have built a strong reputation for reliability, timely delivery, and genuine products.

Based in Srirampura, Bangalore, we cater to clients across India, with a strong presence in Karnataka — especially among industries located in and around Bangalore.

Market and Target Audience

- Industries served: Manufacturing, Pharma, Warehousing, Logistics, Infrastructure
- Products: Industrial Lighting & Fans (including cleanroom lighting for pharma)
- Audience: Procurement heads, electrical contractors, facility managers, project engineers
- Needs we meet: Quality, durability, energy efficiency, and trusted brand support

Authorised Dealers
